# Matong Train Tracks

Trains carry carriages  
And big boxes  
Yellow, green, blue, red  
Going slow  
Going fast  
Toot-toot!  
Hear the bell  
Train driver blows the whistle  
Trains make me happy!

# Growing Up In Australia

I am George and I like growing up in Australia. The best things to do are going to the river and going fishing and skiing, wake boarding, knee-boarding and bare-footing.

The absolute best thing is fishing but where we go we only catch carp. When we go somewhere else, we catch other fish.

We have been to Canberra and other places.

I like living in Australia because there are lots of things to do.

# Growing Up in Australia

I am Jaedyn Kreis.

I am 6 years old.

I help Dad mow the lawn  
and every week we get paid  
big money.

I like helping Dad.
