

Growing Up In Australia!!!!

Growing up in Australia is a great thing to do. There are lots of things to do like going skiing, camping and canoeing. Everyone should go out there and have fun.

I love living in Australia because it is my home and I love the outdoors. I like celebrating Easter, Christmas, birthdays, Pancake Day, St Patrick's Day, Father's Day, Mother's Day and other important days.

On every Monday night I go to Girl's Brigade and there is a whole lot of fun activities we do like praying, bible study and craft. At the moment I'm doing ribbing dancing. Girls Brigade is for K-12 but you need permission so if you want to come along, ask your parents first.

I love growing up in Australia because it is a free country and there are lots of great things that you can do.
