

Growing up in Australia

Going to the cricket we wear funny hats.

Racing down to the river on a boiling hot day.

Only some people live in Australia.

Water in Australia has made dams really big.

In Australia, some people are rich and some are poor.

Nearly every person in Australia is friendly.

Going to my Nan and Pop's house every second day is fun.

Under the trees, I see animals when I go to town to shop.

Pop goes to work nearly every day.

In Australia we have to care for ourself.

Now I love to learn from Mister Lucas.

Australia has had hot summers.

Under the sun we play sport games outside.

Some people have lots of money.

The trees in town are very green.

Rivers are filling up with ducks and geese.

Apples in the trees are getting redder.

Lovely animals are in the forest.

In Australia lots of people play games.

Amarzing things have been happening in Australia.
