

Going to watch the footy game we take our flags

Racing down the 5 mile on skies on a hot day

On Australia day we go to the beach

We go camping at Christmas

I like to go to the pool

Nearly everyone in Australia wears t-shirts and shorts

Going to my Nan and Pop's house we normally fall asleep

Under the stars we have b.b.qs

Puppy dogs are loved in Australia

In the tent at our camp site we fall asleep

Now I love to learn

Australia I believe is the best country in the world

Under the sun we play sporty games

Sometimes we have storms

Terrifying floods

Rampaging cyclones

A lot of the days in Australia are hot days

Lots of schools in small towns are small schools

I love Australia

At the Murrumbidgee River we go fishing
