Urban Landcare Day

On **Saturday, 8th June** we are having our **Urban Landcare Day**, planting trees and plants in the **Matong township**. It is generously sponsored by Burning Seed. We will be meeting in the park at **10am** and will be moving around the homes in town to plant the trees. **Everyone's invited** to come along and plant some trees. The more the merrier. We hope to see you there to help make **Matong more beautiful**.
Matong Community Group.

I'm looking at applying for a grant that would enable us to establish a network of small bird habitats radiating out from Grong Grong. It has to be in by Thursday.

If you are interested in hosting one or more sites (7m in diameter) please inbox here asap.

Ideally the sites should be within safe flight distance of 50 metres apart.
If we can host fifty sites I'll do the application.

Thanks to anyone interested in putting their 7 metre hat in the ring.
